"Wild at Heart" gives a glimpse into the male heart, the way God originally designed it, and it gives men the freedom and encourages them to explore the image of God in themselves. Wilderness, adventure, heroism, danger - I believe this book will speak to all men (and women), if we are brave enough to be "different", to be untamed - as God is.

### **Wild at Heart Discovering The Secret of a Man's Soul**

Wild at Heart is a most excellent book that begs the question of what has happened to males in our post feminist world. Decades of misinformation and cultural erosion have rendered most men absent or impotent in our (specifically the American) society, which this book seeks to explain. Academic blurring of the genders, special interest propaganda and social engineering have all endeavoured to
