Wings of Gold makes a unique contribution to the history of naval aviation. The book sets out the day-to-day experiences and reactions of a cadet who went through the aviation training program at its peak during World War II. An emphasis on training is missing in almost all books dealing with that conflict; in this book, it is the focus.

Wings of Gold The U S Naval Air Campaign in World War II

this book is a high spot history of navy aviation mostly in the Pacific during world war II. There are lots of short first hand accounts by pilots of various actions. The effort put into rescuing downed pilots is described. A few inaccuracies in this first edition I'm reading, in putting Hellcat fighters at Midway.
