

WOMEN AND ALCOHOL BOOK

RELATED BOOK :

Drink The Intimate Relationship Between Women and Alcohol

I was expecting a slightly different book than what it actually was; I was hoping for a statistic heavy book analyzing and noting trends in marketing alcohol, alcohol related disease, sociological trends in drinking in women, and analysis of drinking culture in general.

Drink The Intimate Relationship Between Women And Alcohol

What is behind the rise in alcohol consumption and abuse among women in recent years? While the feminist revolution has allowed women to close the gender gap professionally and educationally, it has also witnessed a disturbing rise in equality in more troubling areas of life.

Her Best Kept Secret Why Women Drink And How They Can

This book is a must read for anyone who wants to learn more about women and their alcohol use. I also found the information about AA very interesting. I watched an episode on a news program about AA and this author was mentioned. I have found it very interesting and useful in doing more research on the topic. The use of medication for alcohol abuse was particularly interesting and new to me
