The World Economic Crisis Global Policy Forum

Governments responded with massive emergency measures, but the crisis continued to spread and large numbers of workers have been laid off all over the world. Many see the crisis as an opportunity for renewed regulation and democratic re-structuring of the global economy. But solutions are complicated by the depth of the crisis, by the lack of strong global institutions, and by overlapping crises in the environment, natural resources and global trade.

2008 Financial Crisis Causes Costs Could It Reoccur

But it left many of the measures up to federal regulators to sort out the details. Meanwhile, banks keep getting bigger and are pushing to get rid of even this regulation. The financial crisis of 2008 proved that banks could not regulate themselves. Without government oversight like Dodd-Frank, they could create another global crisis.
