The Writing Process. My goal for this month is to write roughly 8,000 words a day for 30 days. This would give me 240,000 words or 80,000 words per book. I've done 10,000-word days before. When I was writing for the Supercharge Your Writing course, I had a number of productive days in a row where I was writing between 8,000 11,000 words a day. This was also on top of a full-time day's work.
