RELATED BOOK :

How to Write Your First eBook with Examples wikiHow

To write your first eBook, start by coming up with an idea that you feel strongly about or are an expert in, and make that the subject of your book. Next, organize the details by making an outline of the chapters you want to include. Then, write a first draft based on your outline, filling in the details as you go. After writing your first draft, get feedback and revise it until you feel the
