RELATED BOOK :

A People's History of the United States Wikipedia

A People's History of the United States is a 1980 non-fiction book by American historian and political scientist Howard Zinn. In the book, Zinn presented what he considered to be a different side of history from the more traditional "fundamental nationalist glorification of country". Zinn portrays a side of American history that can largely be

A People's History of the United States English Edition

This book is a classic. The author has done his homework and as a history professor, is prepared to assign yours. Zinn describes in excruciating (really, some of this book is painful to read) how the upper, elite class in America has always played the lower classes against each other.

A People's History Of The United States

A Note and a disclaimer. The Note: This great book should really be read by everyone. It is difficult to describe why it so great because it both teaches and inspires.

A People's History of the United States by Howard Zinn

A People's History of the United States by Howard Zinn is a 2005 Harper Perennial Modern Classics publication. I admit, up front, that this my first go at this book. I vaguely remember some controversy surrounding a history book that exposed the darker side of American History, and whether or not it belonged next to traditional history text in schools.

A People's History of the United States 1492 Present

Library Journal calls Howard Zinn's iconic A People's History of the United States a brilliant and moving history of the American people from the point of view of those . . . whose plight has been largely omitted from most histories. Packed with vivid details and telling quotations, Zinn's award-winning classic continues to revolutionize the way American history is taught and remembered.
